### ***I AM A CAN DO KID!***

Empower the youth you love with the "I AM A CAN DO KIDS" Kit. The items in the kit reinforce positivity and urge children and youth to strive for success. Many of today's youth suffer from lack of self-confidence, lack of attention from struggling parents; stressful neighborhoods and even abusive environments.

Empower your youth! Send us a video of your young people, --with only their first name-- reading the motivational "**Can Do Kids Creed!**"
